PRODUCT DATA SHEET

RONSEAL GARDEN FURNITURE CLEANER

Ronseal Garden Furniture Cleaner is formulated using a powerful blend of detergents and phosphate cleaners for use on new or previously treated garden furniture. It is designed for use on any type of timber furniture as part of a maintenance program or prior to coating. Ronseal Garden Furniture Cleaner has an effective cleaning action, which will remove dirt, grease, stains, algae and mildew. It will also restore the natural colour of old and greyed garden furniture.

INTRODUCTION

Ronseal Garden Furniture Cleaner is formulated using a powerful blend of detergents and phosphate cleaners. It is formulated to clean and brighten garden furniture and can be used on new or previously treated* furniture as part of a maintenance program or prior to application of a coating.

*Not suitable for use on waxed or polished furniture.

Ronseal Garden Furniture Cleaner has an effective cleaning action, which will remove dirt, grease and natural stains. The cleaning action, combined with mechanical action (scrubbing with a stiff brush) will also ensure the removal of algae and mildew. It will restore the natural colour of furniture that has been greyed by weathering.

COMPOSITION

A water based blend of surface active agents with phosphate builders.

PROPERTIES

Viscosity - Low.
VOC Content – Minimal (0-0.29% w/v)
Colour – Colourless. Opalescent.
Odour/taste – Low, inoffensive.
Solubility - Miscible with water.

FIELDS OF APPLICATION

Ronseal Garden Furniture Cleaner is recommended for use on both hardwood and softwood furniture. It can be used to clean new or previously treated furniture but avoid use on waxed or polished wood.

PREPARATION

Remove debris and accumulations of dirt, moss, mould and algae using a stiff brush.

APPLICATION

Spray the cleaner onto the area to be cleaner. Use neat, do not dilute.

Scrub the surface immediately using a stiff brush then leave for 10-20 minutes.

Wash off thoroughly with water using a stiff brush or hose. All cleaning residues must be thoroughly washed away in order to maximise the performance of subsequent coatings.

COVERAGE

A 750ml bottle will typically be enough to clean one standard garden table and four chairs.

DRYING TIME

Surfaces cleaned with Ronseal Garden Furniture Cleaner, should be allowed to dry completely prior to the application of any subsequent coating (allow at least 2 days)

MAINTENANCE

Treated areas may be re-cleaned as required.

IMPORTANT NOTES

If Ronseal Garden Furniture Cleaner comes into contact with surrounding grass or plants, rinse thoroughly with water.

Always test an unobtrusive area before starting general application to ensure that the desired result is achieved.

STORAGE

Always store and transport in a secure and upright position.

Protect from frost.

The shelf life of the product in airtight containers will be at least 3 years.

HEALTH AND SAFETY

Observe and follow all warnings and instructions for use shown on the pack.

Specific safety data sheets are available on request.

FLAMMABILITY

Non-flammable.

SUPPLY

Obtainable from DIY retailers, paint suppliers and builders merchants.

SIZES

Obtainable 750ml trigger spray bottle.

DISPOSAL

Some local authorities have special facilities for disposal of waste products.

Do not empty undiluted product into drains or watercourses.

LIABILITY

Whilst these specifications are based on expert technical knowledge and practical experience, we cannot assume responsibility for any work as the ultimate results depend on factors beyond our direct control. Standard codes of painting practice should be followed.

INFORMATION AND SERVICE

Our Technical Services Department will be pleased to offer specific guidance or provide any further information you may require.
